

## CHEERING NEWS FROM NORTHERN PLACER FIELDS

**HUMPHREYS SAY THE CAMP  
OF MANHATTAN NEVER  
LOOKED BETTER.**

Charles Humphrey and his brother Frank spent yesterday in this city returning last evening to Manhattan, where they are both heavily interested in mining. The Humphrey boys have made their home in Manhattan since the days when the news of the wonderful gold discoveries there started the world in fact, it was another brother, Jack, who made the original discovery which led to the stampede to that section.

To a Bonanza representative, Charles Humphrey stated that the camp was in far better shape at the present time than it has been since the time the San Francisco earthquake practically put the camp out of commission.

"Developments there during the past few months have demonstrated that Manhattan is destined to become one of the biggest producers in the state," said Mr. Humphrey. "The camp has been visited of late by some of the most reputable men in the mining business. It is the general verdict that another Alaska is about to be sprung within the borders of Nevada, and that Manhattan will be the premier place" district.

"There have been some good deals made within the past several days. It is a fact that nearly every mining man of repute who visits the camp becomes interested to such an extent that he pays his good hard cash for lease interests.

"The town itself is looking up. There was a time when business conditions were decidedly blue, but the worst is over and Manhattan is entering upon another era of prosperity. And let me tell you that the present revival has come to stay. What is still better, it is going to grow until our camp will take its place as one of the most populous sections in Nevada."

## MARTIN SCANLON MARRIES MISS MAY MILLER

**RESIDENT OF THE MINERS  
UNION BECOMES A BENE-  
DICT IN CALIFORNIA.**

A few days ago Martin J. Scanlon departed from Tonopah for southern California ostensibly on a pleasure trip. It has come to light that the mission of Mr. Scanlon was of far more importance than an ordinary vacation.

Yesterday the news was received here that Mr. Scanlon and Miss May Miller were married in San Diego a few days since, the exact date being unknown to the writer. Mr. Scanlon is president of the local miners' union and one of the best known men about town. He has any number of friends who will wish him joy and happiness unalloyed.

Miss Miller was formerly a nurse in the Miners' hospital in this city. She made friends without number while here and all of them will join in extending congratulations.

The young couple will make their future home in Tonopah, where the groom is employed in the Montana mill. Mr. and Mrs. Scanlon are touring the sunny southland on their honeymoon.

## MISS McLEAN IS AHEAD OF MISS ROBB

Yesterday's official count of the ballots in the contest for goddess of liberty shows that Miss Pomeroy maintains the lead. The contest is decidedly close and as there are but two days more in the fight, it is expected that the votes will fly thick and fast. Yesterday Miss McLean passed Miss Robb and the former is now in the second position. Today's vote will undoubtedly be the largest that has been cast in any one day, while tomorrow it is promised that the number of votes to be placed in the various ballot boxes will be nothing short of sensational. The vote now stands:

Miss Pomeroy . . . . . 3270  
Miss McLean . . . . . 2750  
Miss Robb . . . . . 2625

## PICKPOCKET SECURES GOLD TIMEPIECE

**MISS EDYTHE VIA LOSES WATCH  
WHILE WATCHING THE BIG  
PARADE.**

Last evening while the streets were crowded with people watching the parade of the Elks, Miss Edythe Via lost her watch and the loss is attributed to the work of some one of the light fingered gentry. The watch was worn at the end of a gold chain, securely fastened thereto. The young lady does not believe that it was possible for the timepiece to become detached of its own accord. Consequently the theory is advanced that the piece of jewelry was snipped by some one who is expert at the pickpocket business.

The loss of the watch did not occur to Miss Via until she had started for her home after the parade. It is a handsome gold time piece, and was a present to the young lady, making her feel the loss very keenly. The police have been notified and will inquire into the disappearance of the article.

**ELLEFORDS ARE COMING  
ON THE FOURTH**

One of the biggest and best entertainments of the Fourth of July celebration in Tonopah will be the opening of the Elleford company's engagement at the Pavilion theater, Sunday, July 4, in the beautiful romantic play, "The American Girl."

The Ellefords are now playing in Goldfield, where they are making a great hit, and Tonopah playgoers will be none the less pleased with the splendid performances of this well known company. The play selected for the opening is especially appropriate to the season, for who is not proud of his country, and particularly, "The American Girl." The plot has to do with the marriage of the girl to a titled Englishman, which is kept secret; the man is called home to England and when he does not return the girl goes abroad to seek him and prove her rightful name and fortune. Miss Due, a young and talented actress, plays the girl, and two youngsters who figure largely in the story are "Prince Roy" and the "Little Lady" who fall to Sophie and Gordon Osborne, two of the cleverest child performers on the stage today.

These little tots also appear in unique specialties between acts, and always succeed in winning huge applause. All the others in the cast are capable people, many of them having been with Manager Elleford for years. Pietro Sasso is seen in leading roles, Mattie Lloyd Luce and George Hernandez furnish the big comedy scenes and there is plenty of genuine heart interest in the play. Manager Elleford is one of the most prominent theatrical managers in the west, having been in the business for years and he thoroughly understands every phase of the situation, and his motto has always been, "The best show at popular prices of any company on the coast." From all indications there will be a packed house at the opening performance and no one will be disappointed. The prices for the entire engagement are: 25, 50 and 75c. The sale of seats opens at Miners drug store on Friday morning.
